

# Celebrating Our Survivors

## *Help us Tell Your Story*

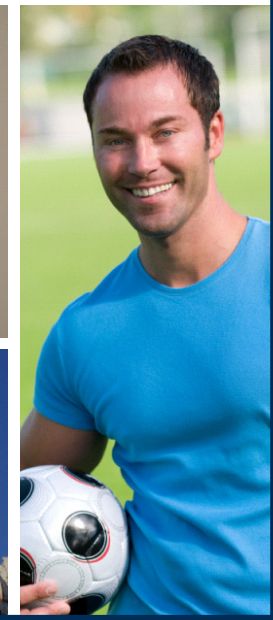

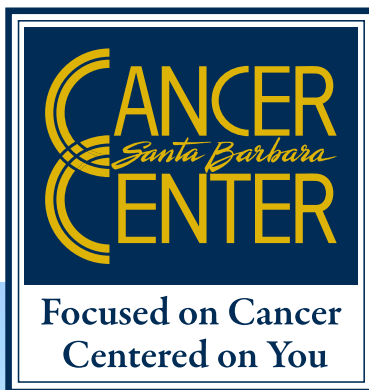

For some, the cancer experience brings new insights and new perspectives. Maybe you have changed your priorities, or decided to try something you had been putting off.

We invite you to share your story with us by participating in the Cancer Center's *Celebrating Survivors Project*. This survivors' photo essay will be a new section of our website, and is your place to share insights and experiences. We welcome you to join us in celebrating all survivors who have a connection to the Cancer Center of Santa Barbara.

Please stop by or call the Resource Library for more information and assistance in being part of our *Celebrating Survivors Project*. The Library is located at our 540 West Pueblo Street building, and is open from 9:00a.m. to 3:00p.m., Monday - Thursday.

You may use the form on the reverse side to submit your story and photo, or come by the Library to have your photo taken.

Questions? Call our Library Coordinator, Sam Howland, at (805) 563-5887.
